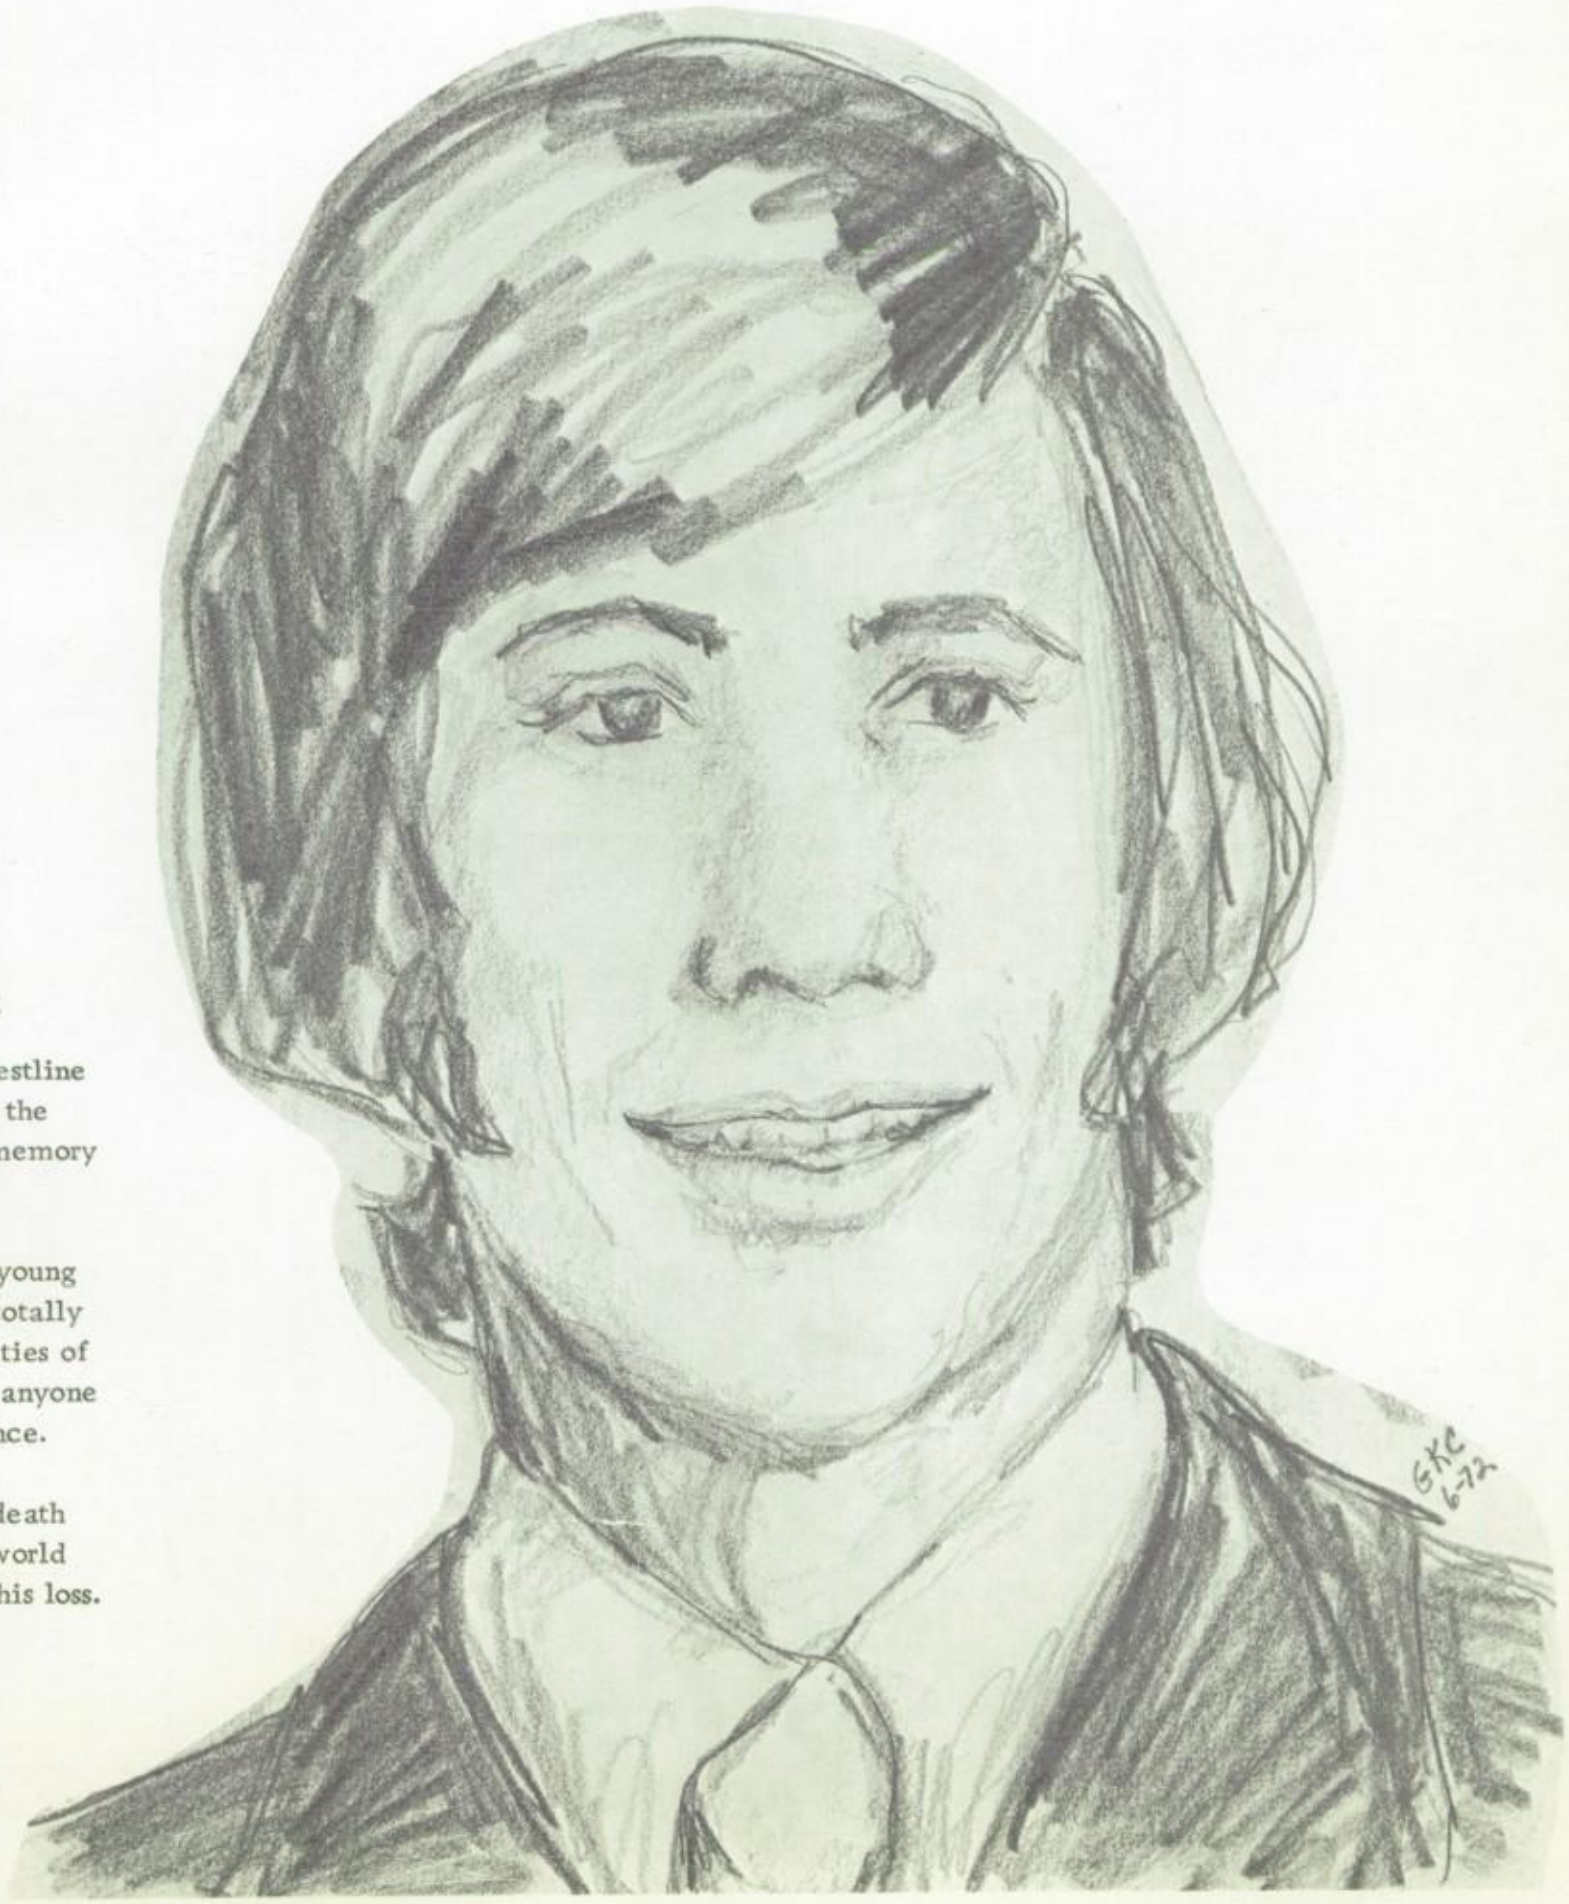
We, one hundred and thirty strong,
are the last of ninety-nine to leave
these hallowed halls,
no more to follow or leave their mark
with memories falling in shadows dark

the class of
nineteen hundred and seventy-two



IN MEMORY OF DAVE

The Senior Class of Crestline High School dedicated the 1972 Spectrum to the memory of Dave Conn.

A small tribute to the young man who himself was totally dedicated to the activities of C. H. S. and, in fact, anyone who needed his assistance.

His sudden and tragic death was untimely and the world is certainly poorer for his loss.

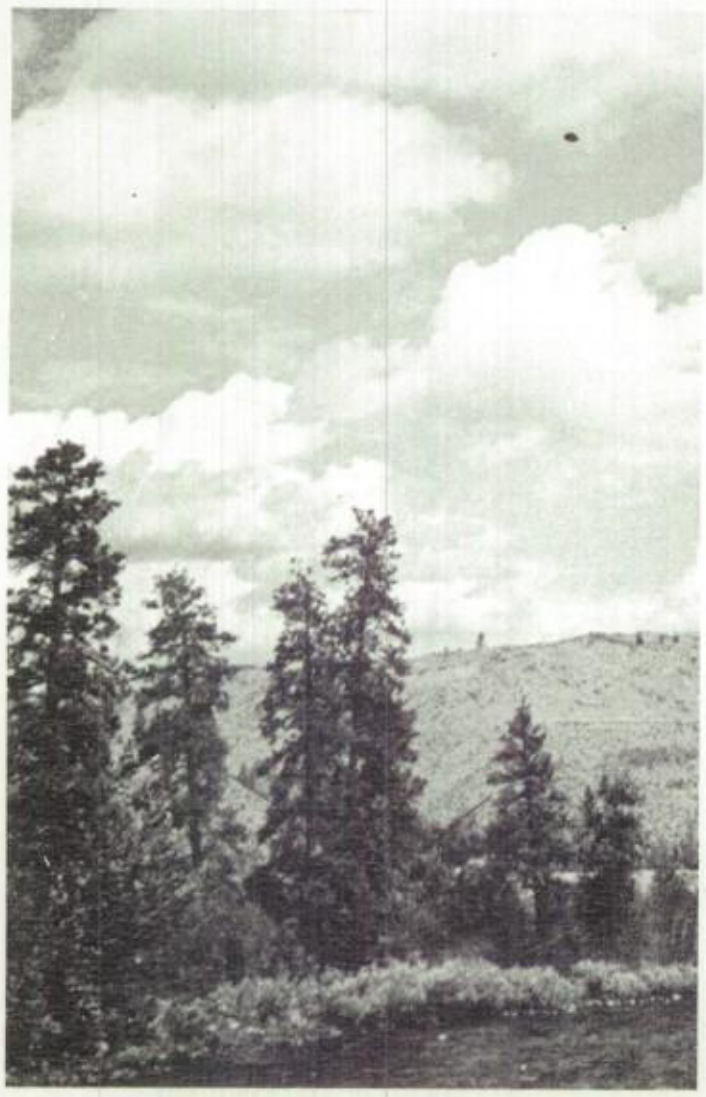
Peabody the environment company

Build a better future with your Galion neighbors,
two world famous divisions of the
Peabody Galion Corporation



Peabody Galion. Formerly Hercules Galion Products Company. Now Peabody Galion . . . a major division of Peabody, the environment company. Manufacturers of dump bodies, hoists and other transportation equipment. And a name known and respected wherever men are building the future today.

Peabody Galion

Peabody Solid Wastes Management. Formerly E-Z Pack Company. Now Peabody Solid Wastes Management . . . another major division of Peabody, the environment company. Makers of the industry's broadest line of refuse handling equipment and systems. And a company constantly striving to develop new ways to battle pollution.

Peabody Solid Wastes Management

Peabody Galion and Peabody Solid Wastes Management, always working hard to build . . . and maintain . . . the world of tomorrow.
